## FOGGING INSTRUCTIONS FOR FLIES

In order to do the best possible job for you, please prepare as follows prior to our arrival:

1. Pick up all toys and any other items that small children play with and cover them with a sheet or place them in a bag.
2. Put away all food items that are not sealed such as fruit, opened boxes, etc.
3. Cover coffee pot and any other equipment or kitchen utensils.
4. People and pets will need to be out of the dwelling for at least 2 hours.
5. Move all items 2 feet away from baseboards in each room.
6. If you have a fish tank, please turn off air and cover with a sheet or plastic.

Preparation work must **BEFORE** our arrival in order for treatment to be done. **NO EXCEPTIONS. If adequate preparation has not been completed prior to our arrival a fee may be assessed by your manager or the management company.**
